

How You Can Help Make Every Penny Count

Midland School #1 PTA has joined Boiling Springs Savings Bank's Community Alliance Program to help us earn extra money.

*Midland School #1 PTA has already earned
\$246.19 in quarterly awards through the award winning program!*

How the Program Works: The program gives the Midland School #1 PTA the opportunity to earn money based on the number of members who bank with Boiling Springs. We receive quarterly donations based upon the average balance of supporters' designated accounts at Boiling Springs.

How You Can Help Us Earn Extra Money: Supporters can help by opening a new or by having an existing account with Boiling Springs and designating the account as a Community Alliance participant. **No monies are withdrawn from donor's accounts and all donation dollars come directly from Boiling Springs.**

*A savings account for your children that will help
the Midland School #1 PTA achieve award donations:*

Boiling Bucks Youth Savings Account: A savings account designed especially for young depositors to teach children the importance of saving. This account has added features and benefits and bears a higher interest rate than a regular savings account.
