Dear Parents/Guardians,

We would like to remind you that it is cold and flu season. We ask that if your child/children are showing symptoms of being ill (fever, vomiting, diarrhea or excessive coughing) or have been diagnosed with an illness, that you keep your children home from school. We are trying to prevent the spread of illness to the other students and staff members. We want to remind you that students need to be symptom free (no vomiting or diarrhea) and fever free (without the help from medication) for a full 24 hours before returning to school.

We ask that you be considerate of others so that we may maintain a healthy and safe environment for our students and staff.

Sincerely,
