

June, 2018

Dear Parents,

Latchkey registration for the 2018-19 school year is open and being done on line. Please log into the school website and follow the link under for Parents. This year we ask that you register your child in the grade they will be in September. Registrations are limited for each grade pre-k to 5, once the limit is met, your child will be put on a waitlist and you will be notified if a spot opens up. Your child must be a student of Midland school and be 4 years old to be eligible for the Latchkey program. If you have an outstanding balance from the 2017-18 school year your registration will be put on hold and your child will be moved to the waitlist until your account is paid in full. Once paid your child will move off the waitlist if there is space available. If you have any questions you can contact me at djohnson@rochellepark.org.

Thank you,
Donna Johnson
Latchkey Coordinator
