## Letter From The Interim Superintendent

Dear Rochelle Park School District Families,

I can hardly believe that summer is over and we are embarking on a new school year. I trust you had a restful and enjoyable summer and are now ready to start school.

We have had a busy summer of interviewing new staff and deeply cleaning and sprucing up our school for the New Year. I think you'll be impressed if you visit.

Our emphasis this year continues to be overall student wellness, safety and security. Students who are well and feel safe can also be better learners. Our academic goal is the in-depth analysis and improvement of teaching and learning in our K-8 math program.

One of the Board of Education's most important challenges is the employment of a Superintendent of Schools. As you may know, since I am an Interim Superintendent I can only remain in Rochelle Park through the end of this school year. So the Board and I will launch a search throughout the year for a Superintendent who will begin on July 1, 2020.

As we begin this school year I want to wish you all well in behalf of the Board and Staff for a healthy, happy and successful school year. Thank you for your continuing support.

Sincerely,

Dr. Richard Brockel  
Interim Superintendent
