

**ROCHELLE PARK SCHOOL DISTRICT  
MIDLAND SCHOOL  
VISION SCREENING REPORT**

Parents:

Eye examinations and eye care for pre-school and kindergarten children are especially important to help assure a lifetime of good vision. Early detection and treatment might prevent vision problems which could handicap your child's learning.

If you have not already done so, we urge you to have a complete eye examination done by your family eye doctor.

\*\*\*Please return the completed form to the school\*\*\*
