Mrs. Laface Chestnut St. She would like to have the distribution of paper flyers revisited. She has put a petition on line. While she understands the virtual folder she feels the town is not there yet. She would like to see the statistics done. She also feels that it should be all or nothing and that’s not happening. Pajama day flyer went home. She also has an issue with a teacher. She has followed the chain of command. She would like to know what is being done about this particular class, adding that she believes the work is at a lower level then where the students are academically. She would like to know how this is being addressed.

President Leakes has attended two PR meetings through school board in the last month. She asked and they said that the climate has changed in their school and the people are not volunteering. She understands the position, she feels it and thinks there is a bigger picture here. Other districts were saying it.

Mrs. LaFace, before the schools went viral, did they do a survey, if they don’t have the statistics. Mrs. Lauerman stated going back to Dr. Schone, the Thursday folders (Physical folders) things weren’t going home. Parents wanted the virtual folders because the hard copies weren’t getting home.

President Leakes said she asked that and was told it was the parents who wanted it.

Mrs. LaFace agrees that 6-8 should be virtual, but not the younger grades.

There was a discussion regarding the permission slips for class trips, and other examples of things going home and the lack of response.

Mrs. LaFace believes it’s a shame.

President Leakes thanked Mrs. LaFace for bringing it to the board’s attention. Dr. Zoeller added that Mrs. LaFace should come see him on the issue with the teacher.

Mrs. Verhasselt Forest Pl. wanted to make the Board aware that the library may not be an option to families for printing, given the unsure status with the municipality Congratulations to the teachers they are the 32 highest paid teachers out of 655 districts in the state with the new contract. The trailers when are they going?

Mr. Woods I called the company it is up to them when they pick them up.

Mrs. Verhasselt again mentioned the educational foundation, they raise money. It doesn’t take more work for the board. They raise the money and the teachers ask for grants, it can pay for things outside of the budget. It would be wonderful PR for the school as well.

Mrs. Passacarella Theirm Ave thanked Kevin for all the work that he has done, how well the school looks. It’s all beautiful, she is sorry and apologized for the other people in town for their poor behavior.

Motion by Mrs. Ciliento Buyck, seconded by Mrs. Lauerman, to close public comment at 8:21 P.M.

Mrs. LaFace Chestnut St. you just approved that teacher to be rehired. P10. That means they were just rehired. So if there were complaints they would not have been taken into consideration. Dr. Zoeller stated we cannot talk about it in public. Dr. Zoeller explained the process for complaints. If you are going to renew staff it must be done prior to May 15th. This is our only board meeting before the 15th. He suggested Mrs. LaFace to make an appointment to speak with him. At the board meeting is not the place to have the conversation. Mrs. Lauerman also explained that the board cannot speak in a public forum about employee. The public has to go through the process, Teacher, Principal and Superintendent. You can’t wait until May if this has been a problem all year long. You have to follow the process.

Mr. Kaniewski Lincoln Ave- inquired about bonded indebtedness. Dr. Zoeller explained the process for an OPRA request. He asked about bond balance and wanted to know who the underwriter is for the bonds. Dr. Zoeller explained it was last done in 2013. Dr. Zoeller was unsure since it was done prior to his arrival in the district, but if he would reach out to him he would get the information.

Dave Brown Howard Ave- adding to 6 grade class. He would like to know what happened with regard to Mrs. Laface’s previous comment. Mr. Cannici responded stating that the point system wasn’t changed due to a single teacher. He agrees with Mrs. LaFace that they are good kids, but when it became repetitive he needed to step in. The changes targeted students that were repetitive. They are not black and white changes, it states in the handbook that the Principal has the right to make changes where appropriate, and so that’s what he did.
