### 4219 COMMERCIAL DRIVER CONTROLLED SUBSTANCE AND ALCOHOL USE TESTING

The Board of Education is committed to a safe, efficient and alcohol and drug-free workplace, that protects the district's pupils as well as the health and safety of its employees and the general public. The Board requires all drivers performing any safety-sensitive function are free of drugs and alcohol and will test those employees who operate a commercial motor vehicle in accordance with 49 C.F.R. 382 et seq. and 49 C.F.R. 40 et seq. Safety-sensitive function as defined by 49 C.F.R. 382.107 means all time from the time a driver begins work or is required to be in readiness to work until the time the driver is relieved from work and all responsibility for performing work. Safety-sensitive function shall include:

1. All time at the terminal facility or any public property waiting to be dispatched unless relieved from duty;
2. All time inspecting equipment;
3. All time spent at the driving controls of a commercial motor vehicle in operation;
4. All time other than driving time in or upon the commercial vehicle except in an area defined as a sleeping berth;
5. All time loading and unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle or in giving or receiving receipts for shipments loaded and unloaded;
6. All time spent performing driver requirements related to accidents; and
7. All time repairing, obtaining assistance, or remaining in attendance with the vehicle.

Commercial Driver Controlled Substance and  
Alcohol Use Testing

The Omnibus Transportation Employee Testing Act requires all operators of commercial motor vehicles subject to the Commercial Drivers License requirements to be tested for controlled substances and alcohol. Federal regulations of the U.S. Department of Transportation require that school bus drivers as well as drivers of private carriers of passengers contracted by the Board be required to submit to alcohol and controlled substance testing in accordance with 49 C.F.R. Part 40. The Board designates the School Business Administrator/Board Secretary as the Designated Employer Representative (DER) of the Board of Education. The Board may contract with a service agent to provide the testing services as required by Federal Regulations.

No driver at any work site will possess, manufacture, use, sell, or distribute any quantity of any controlled substance, lawful or unlawful, which in sufficient quantity could result in impaired performance, with the exception of substances administered by or under the instructions of a physician. No driver shall perform safety-sensitive functions within four hours after using alcohol and the district will not permit a driver that used alcohol within four hours of performing safety-sensitive functions to perform such functions if the district has actual knowledge of the use.

### Violations

Any violation of this policy may result in discipline, up to and including termination.

### Prohibited Substances

The presence of any of the following controlled substances in the body, as evidenced by the results of the initial screening and subsequent confirmatory analysis provided in the policy, is prohibited for any employee assigned to a classification covered by this policy. All cutoff concentrations are as per 49 C.F.R. 40.87 and are expressed in nanograms per milliliter (ng/mL).
